DREAMY AMERICANA FOR
THE INDIE GIRLIES

BIO

Meet Pien, the Dutch indie americana powerhouse is redefining raw emotions with confrontational lyrics and anthemic melodies.

With a sound that blends honest , confrontational lyrics with infectious hooks, Pien is poised to become your next obsession - especially if you're a fan of Jo Hill, Maya Lane and Bailey Tomkinson.

Fresh off the release of her debut EP "According to Plan", Pien celebrated the milestone with her first sold-out London Headline Show at The Waitingroom, making a bold new chapter in her career. Having amassed more than 10k streams within the first month of release, the heartfelt, yet upbeat EP has landed Pien support from BBC Introducing and Publications such as Earmilk, Clout and Happy Magazine Australia. Based between The Netherlands and London, she's carving a space in not only London and the UK's live music scene but also building an audience by touring Europe and playing festivals such as Pub in The Park, Rec Fest, Hastings Fat Tuesday and opening for artists such as Zoe Jean Fowler (US country artist) and Veronica Fusaro (representing Switzerland at the Eurovision Song Contest 2026).

Pien's music resonates with fans worldwide, with frequent airplay on In Her Ears (Soho Radio) and Amazing Radio (UK&US), as well as Dutch Stations such as Radio Veronica, Sound of Haarlem and Pinguin Radio. She's also made it onto curated playlists on several DSP's such as Spotify's "Coffee House Acoustic" and Starbucks Playlist Summer 2025.

With heart, grit and undeniable charm and style, Pien is only getting started and has plenty of releases planned for the end of this year.
